In the wake of Superstorm Sandy, many of our neighbors here in the Patchogue area have been forced from their homes and have faced devastating losses. Some are also discovering they are either uninsured for the damage or significantly under-insured. You can help by showing them that **PATCHOGUE CARES**.

Join the Village of Patchogue, the Emporium and the community organizations shown below for this charity event. Your admission donation includes beer, wine and hors d'ouvres. The money raised through **PATCHOGUE CARES: HAPPY AND THANKFUL HOUR** will benefit those affected by Superstorm Sandy right here in our home town.

Can't make it? **DONATE:** Mail tax-deductible donations of any amount to:
The Patchogue Community Service Foundation, P.O. Box 821, Patchogue, NY 11772

Under the leadership of Mayor Paul Pontieri, the Village of Patchogue has established the **OFFICE OF SANDY RELIEF**. If you or someone you know is in need of services, please visit Village Hall where personnel are available to assess your damages and needs and make appropriate referrals. Additionally, requests for volunteers or financial grants will be recorded, investigated and submitted to the Patchogue Community Service Foundation for support.
